

**Gila River Indian Community COVID-19 Task Force**

# **Cloth Mask Distribution GRIC Departments/Programs**

## **Purpose**

As we continue to focus on the prevention activities associated with COVID-19. The Emergency Operations Center/Office of Emergency Management will be providing Cloth Masks to all GRIC Departments as supplies allow. The Cloth Masks are a one size fits all and can be laundered up to **15** times before being discarded. We encourage department employees to wear the mask daily to protect yourself and others around you.

OEM will be coordinating the distribution of the cloth masks and has determined the quantity of masks for each department. See page 2 and 3 for Department listing.

Below is the plan and process for the distribution of the cloth mask to all employees:

## **Mask Per Employee**

- (2) Cloth mask per employee

## **Date of Distribution**

- May 26 -29 2020

## **Time frame**

- Between the hours of 9:00 am – 2:00pm each day

## **Pick up Location**

- The Office of Emergency Management, 1576C S Nelson Dr. Chandler AZ 85226

## **Pick up protocol**

- Departments must call the OEM main number upon arrival: **(520) 796-3755**.
- Identify your department and the purpose of your call to OEM.

*(Example; Hi am John from OEM, I am here to pick up cloth mask)*

## Gila River Indian Community COVID-19 Task Force

### Mask Terminology and Common Usage

This document is to provide education on the types of protective masks and their common uses. It is not all encompassing.

#### N95 Respirator (there may be some variances to these types)

- For use by healthcare workers and first responders for maximum protection while working around those with or showing symptoms of COVID-19
- [CDC guidelines allow for extended and limited reuse](#)

#### Procedure/Surgical Mask (there may be some variances to these types)

- For use by healthcare workers and first responders to cover N95 Respirators to extend use or during all patient and public contacts when an N95 Respirator is not warranted
- For use on patients to reduce the spread of virus
- Single use

#### Cloth Mask (there are many variances to these types)

- For use by the general public
- Not recommended for children under 2 yrs old
- Can be laundered for reuse
