

DRS COVID-19 Update April 1, 2020

All adult/juvenile bookings are asked COVID 19 screening questions. If the inmate exhibits cold/flu symptoms they are placed on medical isolation.

All supervisors are screening and completing the employee-screening questionnaire. All forms are completed, signed, and scanned into our Supervisor shared drive.

Three employees answered "Yes" to questions 1-4 and were sent home pending clearance to return to work. Two employees returned. One employee has not returned.

One juvenile inmate answered yes to cough, fever, and shortness of breath questions. Juvenile was placed in medical isolation awaiting to be evaluated by DRS medical staff. Video court will be conducted for the detention hearing.

Defense attorneys meet with their clients via video conferencing

Behavior health evaluations are conducted via video conferencing.

We are conducting video court hearings.
