

Gila River Indian Community COVID-19 Task Force

COMMUNITY ORGANIZATION EVENT PLAN

This guidance shall establish and explain the necessary policies, practices and conditions necessary to meet the Centers for Disease Control and Prevention (CDC), Arizona Department of Health Services (ADHS) and Gila River Indian Community guidelines and standards. The plan should have the strong commitment of the organizational leadership and be implemented with the participation of any staff and volunteers. Plan must be submitted a minimum of 14 days in advance of the event. The Community’s COVID-19 Task Force may provide **technical guidance** when requested but any deviance from this established plan will require further approval via the following process;

COVID-19 Preparedness Plan for [Event Name]

[organization] is committed to providing a safe and healthy environment for all of our staff, volunteers and guests. To ensure we have as safe and healthy environment, we will following the COVID-19 Preparedness Plan in response to the COVID-19 pandemic. Organizational leadership, staff and volunteers are all responsible for implementing and adhering to this plan. Our goal is to mitigate the potential for transmission of COVID-19. Only through this cooperative effort, can we establish and maintain the safety and health of our staff, volunteers and guests.

This COVID-19 Preparedness Plan follows Centers for Disease Control and Prevention (CDC), the Arizona Department of Health Services (ADHS), the Gila River Indian Community Tribal Health Department (GRIC THD) guidelines and all Gila River Indian Community Executive Orders. It addresses the following:

- Section 1: Infection prevention and housekeeping measures
- Section 2: Leadership, staff and guest screening
- Section 3: Engineering and administrative controls for social/physical distancing
- Section 4: Communications and training for staff and volunteers necessary to implement the plan

Section 1: Infection Prevention & Housekeeping
