GRHC EHS COVID-19 TESTING PLAN FOR GRIC FIRST RESPONDERS AND PUBLIC SAFETY EMPLOYEES

When considering an employee for testing the supervisor and/or department director are to follow the guidance set forth in the [GRIC Incident Action Plan](#) (IAP) under the following sections:

- Employee Screening & Sick Employee Guidance
 - Health Care/First Responder Worker Exposure Guidance
1. GRIC First Responders as defined by [Amended Executive Order No 4](#) will call the GRHC Employee Health Services (EHS) Office to schedule a testing appointment
 2. The First Responder may be screened by the Nurse Practitioner
 3. The following information will be requested; Name, DOB, Contact Phone Number, Department and Supervisor's Name/Contact
 4. Instructions will be given regarding the drive-thru testing process
 - 5. Upon arrival to the drive-thru location call EHS**
 6. A specimen will be obtained with a Medical Release of Information signed
 7. Upon EHS receiving the results the First Responder will be contacted and an email will be sent to the employee's supervisor, Tribal Health Department, Office of Community Manager and the Executive Office
 - i. It is requested that the First Responder does not contact Employee Health Services seeking updates
 - ii. Results will be shared with the employee as they arrive
