STAY SAFE THIS HALLOWEEN!

Here’s how to stay safe this Halloween season:

Low Risk Activities such as - (face masks strongly suggested)

- A scavenger hunt with people you live with
- Giving out individually wrapped candy bags at a safe distance from your home
- Place individually wrapped candy bags at the end of your driveway or yard for grab and go options to avoid close contact

Virtual Activities:

- Attend a district sponsored virtual event
- Host a virtual family Halloween activity such as a costume contest or variety show

Important: Don’t participate in any activity if your household is under quarantine, or you are a positive case, or you are ill!

AVOID:

- Door to door trick or treating
- Person to person contact (don’t hand out candy directly)
- In-person or Drive-thru Halloween gatherings, activities or celebrations outside of your household
